HAMLET OF ENTERPRISE
"AS AND WHEN" SERVICE INFORMATION

The Hamlet of Enterprise would like to develop a database of local businesses who would like to be considered for "AS AND WHEN SERVICES" when services are required by the Hamlet of Enterprise.

There are times when the Hamlet of Enterprise requires services and having a database of what services local businesses are willing to provide along, with their rates, would be a valuable reference tool for considering local hire. As it stands, business licenses do provide some information, but not all the information required to make an informed decision.

If you are a local business, hold a valid Enterprise Business License and your company is willing to provide services to the Hamlet of Enterprise, please complete the following form and return it to the Hamlet Office to be entered into our database. All information will be considered "CONFIDENTIAL" and will "NOT BE SHARED."

IMPORTANT NOTE: If you are a local business and you choose not to complete this form it will be assumed you are not interested in providing services to the Hamlet of Enterprise and your decision will be respected.

do acknowledge this form is NOT a contract; it is merely a document providing information to the Hamlet of Enterprise to be entered into their "As and When" Service Provider Data Base to be considered for local hire. I also realize I may be requested to provide the Hamlet of Enterprise with a written quote in addition to the rates provided above and by filling out this form it does not guarantee my company will be awarded an "As and When Service Contract."
